

Table 15 Approximately what percentage of the materials/content budget was accounted for by print and how much by electronic resources (percentage wise)?

Table 15.1.1 Approximately what percentage of the materials/content budget was accounted for by print?

	Mean	Median	Minimum	Maximum
Entire sample	50.52	53.00	5.00	90.00

Table 15.1.2 Approximately what percentage of the materials/content budget was accounted for by print? Broken out by Library Type

Library Type	Mean	Median	Minimum	Maximum
Law firm library	40.84	35.00	10.00	70.00
University law library	57.94	60.00	10.00	80.00
Courthouse library	67.14	65.00	50.00	90.00
Non-Courthouse government agency non-profit or international agency law library	51.83	51.50	25.00	80.00
Private company law library	6.50	6.50	5.00	8.00

Table 15.1.3 Approximately what percentage of the materials/content budget was accounted for by print? Broken out by Number of Lawyers in the Organization

Number of Lawyers in the Organization	Mean	Median	Minimum	Maximum
10 or fewer	51.21	52.50	8.00	80.00
11-60	49.36	57.50	5.00	71.00
61-200	49.22	50.00	30.00	75.00
More than 200	52.17	52.00	25.00	90.00

Table 15.1.4 Approximately what percentage of the materials/content budget was accounted for by print? Broken out by Number of FTE Librarians

Number of FTE Librarians	Mean	Median	Minimum	Maximum
2 or fewer	44.34	45.00	5.00	90.00
2.1–4.9	53.57	60.00	25.00	80.00
5–6.9	49.00	51.00	10.00	70.00
7 or more	61.91	65.00	34.00	80.00

Table 15.2.1 Approximately what percentage of the materials/content budget was accounted for by Electronic?

	Mean	Median	Minimum	Maximum
Entire sample	49.48	47.00	10.00	95.00

Table 15.2.2 Approximately what percentage of the materials/content budget was accounted for by Electronic? Broken out by Library Type

Library Type	Mean	Median	Minimum	Maximum
Law firm library	59.16	65.00	30.00	90.00
University law library	42.06	40.00	20.00	90.00
Courthouse library	32.86	35.00	10.00	50.00
Non-Courthouse government agency non-profit or international agency law library	48.17	48.50	20.00	75.00
Private company law library	93.50	93.50	92.00	95.00

Table 15.2.3 Approximately what percentage of the materials/content budget was accounted for by Electronic? Broken out by Number of Lawyers in the Organization

Number of Lawyers in the Organization	Mean	Median	Minimum	Maximum
10 or fewer	48.79	47.50	20.00	92.00
11-60	50.64	42.50	29.00	95.00
61-200	50.78	50.00	25.00	70.00
More than 200	47.83	48.00	10.00	75.00

Table 15.2.4 Approximately what percentage of the materials/content budget was accounted for by Electronic? Broken out by Number of FTE Librarians

Number of FTE Librarians	Mean	Median	Minimum	Maximum
2 or fewer	55.66	55.00	10.00	95.00
2.1-4.9	46.43	40.00	20.00	75.00
5-6.9	51.00	49.00	30.00	90.00
7 or more	38.09	35.00	20.00	66.00

Table 16.1 Which choice of the following opinions best represents what you think will happen at your library over the next few years?

	The Library will reduce spending on both print and electronic resources	The Library will aggressively reduce spending on print resources and use that money to increase spending on electronic resources while holding overall spending relatively constant	The Library will maintain spending on print resources and moderately increase spending on electronic resources	The Library will increase spending on both print and electronic resources, perhaps increasing spending somewhat more on electronic resources
Entire sample	12.50%	53.57%	26.79%	7.14%

**Table 16.2 Which choice of the following opinions best represents what you think will happen at your library over the next few years?
Broken out by Library Type**

Library Type	The Library will reduce spending on both print and electronic resources	The Library will aggressively reduce spending on print resources and use that money to increase spending on electronic resources while holding overall spending relatively constant	The Library will maintain spending on print resources and moderately increase spending on electronic resources	The Library will increase spending on both print and electronic resources, perhaps increasing spending somewhat more on electronic resources
Law firm library	5.00%	65.00%	20.00%	10.00%
University law library	20.00%	45.00%	30.00%	5.00%
Courthouse library	12.50%	37.50%	37.50%	12.50%
Non-Courthouse government agency non-profit or international agency law library	16.67%	66.67%	16.67%	0.00%
Private company law library	0.00%	50.00%	50.00%	0.00%

Table 16.3 Which choice of the following opinions best represents what you think will happen at your library over the next few years? Broken out by Number of Lawyers in the Organization

Number of Lawyers in the Organization	The Library will reduce spending on both print and electronic resources	The Library will aggressively reduce spending on print resources and use that money to increase spending on electronic resources while holding overall spending relatively constant	The Library will maintain spending on print resources and moderately increase spending on electronic resources	The Library will increase spending on both print and electronic resources, perhaps increasing spending somewhat more on electronic resources
10 or fewer	15.38%	46.15%	30.77%	7.69%
11-60	22.22%	38.89%	33.33%	5.56%
61-200	0.00%	72.73%	9.09%	18.18%
More than 200	7.14%	64.29%	28.57%	0.00%

**Table 16.4 Which choice of the following opinions best represents what you think will happen at your library over the next few years?
Broken out by Number of FTE Librarians**

Number of FTE Librarians	The Library will reduce spending on both print and electronic resources	The Library will aggressively reduce spending on print resources and use that money to increase spending on electronic resources while holding overall spending relatively constant	The Library will maintain spending on print resources and moderately increase spending on electronic resources	The Library will increase spending on both print and electronic resources, perhaps increasing spending somewhat more on electronic resources
2 or fewer	8.70%	60.87%	17.39%	13.04%
2.1–4.9	0.00%	77.78%	22.22%	0.00%
5–6.9	16.67%	41.67%	41.67%	0.00%
7 or more	25.00%	33.33%	33.33%	8.33%
