|                                                                                                                    |    |
|--------------------------------------------------------------------------------------------------------------------|----|
| SUMMARY OF MAIN FINDINGS .....                                                                                     | 30 |
| Interlibrary Loan Transaction Volume .....                                                                         | 30 |
| Performance of Interlibrary Loan User Surveys.....                                                                 | 30 |
| Turnaround Time for Borrowing Articles & Books .....                                                               | 30 |
| Turnaround Time for Lending Articles & Books .....                                                                 | 30 |
| Turnaround Time for Lending Videos.....                                                                            | 31 |
| Mean Spending for Shipping & Courier Fees.....                                                                     | 31 |
| Policies on the Interlibrary Loan of Textbooks .....                                                               | 31 |
| Ebook Licenses & Interlibrary Loan.....                                                                            | 31 |
| Interlibrary Loan with Foreign Countries .....                                                                     | 31 |
| Percentage of Colleges in a State or Provincial Borrowing Network.....                                             | 32 |
| Use of State ILL/DD/EDD Statistics .....                                                                           | 32 |
| Percentage of Libraries in a State Network that Identify Net Lender and Performs Load Leveling .....               | 32 |
| Use of Fax Delivery.....                                                                                           | 32 |
| Use of Email Attachment Delivery.....                                                                              | 32 |
| Use of the Actual Document in Interlibrary Loan .....                                                              | 33 |
| Participation in Distance Learning Programs .....                                                                  | 33 |
| Use of Interlibrary Loan for Intra-College Materials Transfers .....                                               | 33 |
| Percentage of Libraries that Charge a Fee for Interlibrary Loan .....                                              | 33 |
| Trends in the Use of Fax Delivery.....                                                                             | 33 |
| Trends in the Use of Email Attachments .....                                                                       | 33 |
| Trends in the Use of Photocopies .....                                                                             | 34 |
| Trends in the Use of the Actual Document.....                                                                      | 34 |
| Trends in the Use of Scanned Documents .....                                                                       | 34 |
| Trends in the Use of E-text from Databases .....                                                                   | 34 |
| Trends in the Use of Interlibrary Loan for Intra-Campus Transfers.....                                             | 34 |
| Trends in Fees for Interlibrary Loan.....                                                                          | 34 |
| Views of Librarians on the Extent and Manner in Which Licensing Agreements Should be Documented and Followed ..... | 35 |
| Views on the Role of the ILL Staff in Licensing.....                                                               | 35 |
| Role of the Acquisitions Staff in Maintaining Licensing Agreements .....                                           | 35 |
| Number of Separate Library Centers Maintained for Interlibrary Loan.....                                           | 35 |
| Departmental Control of the ILL Staff in the Library Organizational Hierarchy.....                                 | 36 |
| Use of Automated ILL Systems.....                                                                                  | 37 |
| Impact of Digital Rights Management Control Technologies on Interlibrary Loan ....                                 | 38 |
| Percentage of Libraries that have Tried to Negotiate Broader License Terms for Interlibrary Loan .....             | 38 |
| Trends in What is Reported in ILL Statistics.....                                                                  | 38 |
| Use of Workflow Studies of the Interlibrary Loan Process.....                                                      | 39 |
| Degrees Held by ILL Staffers .....                                                                                 | 39 |
| Mean ILL/DD/EDD Staff Size .....                                                                                   | 40 |

## Higher Education Interlibrary Loan Management Benchmarks

|                                                                                                  |     |
|--------------------------------------------------------------------------------------------------|-----|
| Mean Budget for ILL/DD/EDD Departments .....                                                     | 40  |
| Planned Changes in the ILL Budget .....                                                          | 40  |
| Mean Fee Revenue.....                                                                            | 40  |
| Percentage of Libraries that Charge for Document Delivery .....                                  | 40  |
| Percentage of Libraries that Work from Unit Costs in Order to Determine Productivity Levels..... | 41  |
| Percentage of ILL Volume Accounted for by Distance Learning Program Requests..                   | 41  |
| Chapter One: ILL Services .....                                                                  | 42  |
| Chapter Two: Shipping .....                                                                      | 50  |
| Chapter Three: Special Collections and Unique Circumstances .....                                | 58  |
| Chapter Four: State or Provincial Borrowing Networks.....                                        | 81  |
| Chapter Five: End User Preferences .....                                                         | 85  |
| Chapter Six: Departmental Responsibility.....                                                    | 116 |
| Chapter Seven: Systems.....                                                                      | 134 |
| Chapter Eight: Workflow Studies.....                                                             | 163 |
| Chapter Nine: Personnel .....                                                                    | 166 |
| Chapter 10: Budgets & Fees .....                                                                 | 176 |
| Chapter 11: Distance Learning and ILL .....                                                      | 186 |
| OTHER REPORTS FROM PRIMARY RESEARCH GROUP INC.....                                               | 193 |
