

TABLE OF CONTENTS

Introduction.....	8
Acknowledgments.....	8
Summary of Key Findings	9
Description of Staffing, Continuing Education and ILL Budget.....	10
Software and Automation	11
Resource Sharing Consortia.....	11
Commercial Document Delivery	12
Copyright and Licensing.....	12
Institutional Repositories and Open Access	12
Service Priorities for Constituents	13
Services to Distance Learning Students.....	13
Special Collections.....	14
Measuring Productivity and Evaluating Services	14
University of Texas at Arlington	15
I. Description of the University of Texas at Arlington and Library	15
II. Description of Staffing and ILL Budget	15
Staff Education.....	16
Placement of ILL Department in Library's Organization.....	16
Budget Information	17
Best Management Advice for Other Academic ILL Departments	17
III. Software and Automation	18
Recent Software and Automation Enhancements.....	18
Best Management Advice for Other Academic ILL Departments	18
IV. Resource Sharing Consortia	19
V. Commercial Document Delivery	19
Unmediated or Mediated Access to Document Delivery Services.....	20
Library Fee-Based Services	20
Best Management Advice for Other Academic ILL Departments	20
VI. Copyright and Licensing.....	21
ILL Copyright-Compliant Policy or Guidelines	21
Best Management Advice for Other Academic ILL Departments	21
Electronic Licensing Agreements for Lending	21
Major ILL Copyright and Licensing Issues	21
VII. Institutional Repositories and Open Access.....	22
Obtaining Materials from Open Access Journals or Institutional Repositories.....	22
Impact of Open Access Publications, Institutional Repositories, or Low Cost Archives	23
VIII. Service Priorities for Constituents	23
ILL Services for Community Members, Visiting Scholars or Other Institutions.....	23
Special Services to Constituents	24
Notification and Delivery of Materials	24
IX. Services to Distance Learning Students	24
Special Services for Distance Education Constituents	25
Partnerships with Other Libraries to Serve Distance Education Constituents.....	25

Profiles of Best Practices in Academic Interlibrary Loan

X. Special Collections.....	26
Affect of Digital Special Collections on Traditional ILL	26
XI. Measuring Productivity and Evaluating Services.....	26
Other Tools Used to Evaluate Productivity and Service	27
Tulane University.....	28
I. Description of Tulane University and Library	28
II. Description of Staffing and ILL Budget	28
Staff Education.....	29
Placement of ILL Department in Library’s Organization.....	29
Role of Staff in Collection Development or Permanent Acquisitions.....	30
Budget Information	30
Best Management Advice for other Academic ILL Departments	30
III. Software and Automation	30
Best Management Advice for other Academic ILL Departments	31
IV. Resource Sharing Consortia	31
Best Management Advice of Other Academic ILL Departments.....	32
V. Commercial Document Delivery	32
Unmediated or Mediated Access to Document Delivery Services	32
Fee-Based Services	32
VI. Copyright and Licensing.....	33
ILL Copyright-compliant Policy or Guidelines	33
Major ILL Copyright and Licensing Issues	33
VII. Institutional Repositories and Open Access.....	33
II. Service Priorities for Constituents.....	34
ILL Services for Community Members, Visiting Scholars or Other Institutions.....	34
Special Services to Constituents	34
Notification and Delivery of Materials	34
IX. Services to Distance Learning Students	34
X. Special Collections.....	35
XI. Measuring Productivity and Evaluating Services.....	35
Best Management Advice for Other Academic ILL Departments	36
University of Minnesota	37
I. Description of the University of Minnesota and Library	37
II. Description of Staffing and ILL Budget	37
Staff Education.....	39
Placement of ILL Department in Library’s Organization.....	39
Role in Collections and Acquisitions.....	39
Budget Information	40
Best Management Advice for Other Academic ILL Departments	41
III. Software and Automation	41
Recent Software and Automation Enhancements.....	42
Best Management Advice for Other Academic ILL Departments	42
IV. Resource Sharing Consortia	42
V. Commercial Document Delivery	44
Fee-Based Services	44
Best Management Advice for Other Academic ILL Departments	44

Profiles of Best Practices in Academic Interlibrary Loan

VI. Copyright and Licensing.....	45
ILL Copyright-Compliant Policy or Guidelines	45
Best Management Advice for Other Academic ILL Departments	45
Electronic Licensing Agreements for Lending.....	45
Major ILL Copyright and Licensing Issues	45
VII. Institutional Repositories and Open Access.....	46
Obtaining Materials from Open Access Journals or Institutional Repositories.....	46
VIII. Service Priorities for Constituents	46
ILL Services for Community Members, Visiting Scholars or Other Institutions.....	47
Special Services to Constituents	47
Notification and Delivery of Materials	48
IX. Services to Distance Learning Students	48
X. Special Collections.....	48
XI. Measuring Productivity and Evaluating Services.....	49
Other Tools Used to Evaluate Productivity and Service	49
Indiana University-Purdue University Indianapolis (IUPUI)	51
I. Description of IUPUI and Library.....	51
ILL Librarian (1):.....	52
Staff Education.....	53
<i>Placement of ILL Department in Library's Organization</i>	53
Role in Collections and Acquisitions.....	53
Budget Information.....	54
Best Management Advice for Other Academic ILL Departments	54
III. Software and Automation	54
Electronic Delivery	54
Recent Software and Automation Enhancements.....	54
IV. Resource Sharing Consortia	55
V. Commercial Document Delivery	55
<i>Unmediated or Mediated Access to Document Delivery Services</i>	56
Fee-Based Services	56
VI. Copyright and Licensing.....	56
Best Management Advice for Other Academic ILL Departments	56
Major ILL Copyright and Licensing Issues	56
VII. Institutional Repositories and Open Access.....	57
Obtaining Materials from Open Access Journals or Institutional Repositories.....	57
VIII. Service Priorities for Constituents	57
ILL Services for Community Members, Visiting Scholars or Other Institutions.....	58
Special Services to Constituents	58
Notification and Delivery of Materials	59
IX. Services to Distance Learning Students	59
X. Special Collections.....	59
XI. Measuring Productivity and Evaluating Services.....	60
Brigham Young University.....	61
I. Description of BYU and Library.....	61
II. Description of Staffing and ILL Budget	62
Staff Education.....	62

Profiles of Best Practices in Academic Interlibrary Loan

Placement of ILL Department in Library's Organization.....	63
Role in Collections and Acquisitions.....	63
Budget Information	63
Best Management Advice for Other Academic ILL Departments	64
III. Software and Automation	64
Electronic Delivery and Software Enhancements.....	64
Best Management Advice for Other Academic ILL Departments	65
IV. Resource Sharing Consortia	65
V. Commercial Document Delivery	65
Unmediated or Mediated Access to Document Delivery Services	66
Fee-Based Services	66
Best Management Advice for Other Academic ILL Departments	66
VI. Copyright and Licensing.....	66
ILL Copyright-Compliant Policy or Guidelines	66
Best Management Advice for Other Academic ILL Departments	66
Major ILL Copyright and Licensing Issues	67
VII. Institutional Repositories and Open Access.....	67
VIII. Service Priorities for Constituents	68
ILL Services for Community Members, Visiting Scholars or Other Institutions.....	68
Special Services to Constituents	68
Notification and Delivery of Materials	69
IX. Services to Distance Learning Students	69
X. Special Collections.....	69
XI. Measuring Productivity and Evaluating Services.....	70
The University of Tennessee	71
I. Description of The University of Tennessee and Library	71
II. Description of Staffing and ILL Budget	72
Staff Education.....	72
Role in Collections and Acquisitions.....	73
Placement of ILL Department in Library's Organization.....	73
Budget Information	73
Best Management Advice for Other Academic ILL Departments	73
III. Software and Automation	74
Electronic Delivery and Software Enhancements.....	74
Best Management Advice for Other Academic ILL Departments	75
IV. Resource Sharing Consortia	75
Impact of New Technology on Resource Sharing	76
V. Commercial Document Delivery	76
Unmediated or Mediated Access to Document Delivery Services	77
Fee-Based Services	78
ILL Copyright-Compliant Policy or Guidelines	78
Best Management Advice for Other Academic ILL Departments	78
Major ILL Copyright and Licensing Issues	78
VII. Institutional Repositories and Open Access.....	79
VIII. Service Priorities for Constituents	79
ILL Services for Community Members, Visiting Scholars or Other Institutions.....	79

Profiles of Best Practices in Academic Interlibrary Loan

Special Services to Constituents	79
Notification and Delivery of Materials	80
IX. Services to Distance Learning Students	80
X. Special Collections.....	80
XI. Measuring Productivity and Evaluating Services.....	81
Colorado State University	82
II. Description of Staffing and ILL Budget	82
Staff Education.....	83
Role in Collections and Acquisitions.....	83
Placement of ILL Department in Library's Organization.....	84
Budget Information	84
III. Software and Automation	84
Electronic Delivery and Software Enhancements.....	85
IV. Resource Sharing Consortia	86
V. Commercial Document Delivery	87
Unmediated or Mediated Access to Document Delivery Services	87
VI. Copyright and Licensing.....	87
ILL Copyright-Compliant Policy or Guidelines	87
Best Management Advice for Other Academic ILL Departments	87
Licensing Strategies	87
VII. Institutional Repositories and Open Access.....	87
VIII. Service Priorities for Constituents	88
ILL Services for Community Members, Visiting Scholars or Other Institutions.....	88
Special Services to Constituents	88
Notification and Delivery of Materials	88
IX. Services to Distance Learning Students	89
X. Special Collections.....	89
XI. Measuring Productivity and Evaluating Services.....	90
Oberlin College	91
I. Description of Oberlin College and Library.....	91
II. Description of Staffing and ILL Budget	91
Staff Education.....	92
Role in Collections and Acquisitions.....	92
Placement of ILL Department in Library's Organization.....	92
Budget Information	92
Best Management Advice for Other Academic ILL Departments	92
III. Software and Automation	93
IV. Resource Sharing Consortia	93
V. Commercial Document Delivery	94
Unmediated or Mediated Access to Document Delivery Services	94
Fee-Based Services	94
VI. Copyright and Licensing.....	95
ILL Copyright-Compliant Policy or Guidelines	95
Major ILL Copyright and Licensing Issues	95
VII. Institutional Repositories and Open Access.....	95
VIII. Service Priorities for Constituents	95

Profiles of Best Practices in Academic Interlibrary Loan

ILL Services for Community Members, Visiting Scholars or Other Institutions.....	96
Special Services to Constituents	96
Notification and Delivery of Materials	96
IX. Services to Distance Learning Students	96
X. Special Collections.....	96
XI. Measuring Productivity and Evaluating Services.....	97
Stony Brook University	98
I. Description of Stony Brook University and Library	98
II. Description of Staffing and ILL Budget	98
Staff Education.....	99
Role in Collections and Acquisitions.....	99
Placement of ILL Department in Library's Organization.....	99
Budget Information	99
Best Management Advice for Other Academic ILL Departments	100
III. Software and Automation	100
IV. Resource Sharing Consortia	100
V. Commercial Document Delivery	101
Unmediated or Mediated Access to Document Delivery Services	101
Fee-Based Services	101
Best Management Advice for Other Academic ILL Departments	101
VI. Copyright and Licensing.....	102
ILL Copyright-Compliant Policy or Guidelines	102
Licensing.....	102
VII. Institutional Repositories and Open Access.....	102
VIII. Service Priorities for Constituents	102
ILL Services for Community Members, Visiting Scholars or Other Institutions...	102
Special Services to Constituents	103
Notification and Delivery of Materials	103
IX. Services to Distance Learning Students	103
X. Special Collections.....	104
XI. Measuring Productivity and Evaluating Services.....	105
OTHER REPORTS OF INTEREST FROM PRIMARY RESEARCH GROUP.....	106
